

Sam Dawson - Levi's

Verse 1

It must be every Friday evening
You've got your clothes spread out across your bed
First you try the red skirt
Then you're changing into something else
(Woah-oh-oh-oh) baby tell me why
(Woah-oh-oh-oh) you can't make your mind
(Woah-oh-oh no) cos everything you try
(Woah-oh-oh-oh) oh girl you look so fine

Pre-Chorus

But you're like 'I don't know, I don't know'
But baby you look perfect wearing any clothes

Chorus

So keep your Levi's on, 501s
You got me going, like 'Oh my god girl'
Ooh it don't matter what you wear
It could be baseball cap and bright white kicks
A black t-shirt with a band on it yeah
Ooh you're just my kind of girl
Yeah Yeah Yeah

Verse 2

I know you wanna get dressed up
But baby you look good when you're dressed down
The way you wear those ripped jeans hun
You turn heads just walking through the town
(Woah-oh-oh-oh) everybody says
(Woah-oh-oh-oh) 'tell me what's her name?'
(Woah-oh-oh-oh) I see it everyday
(Woah-oh-oh-oh) tell me what's it gonna be babe?

Pre-Chorus

Cos all I know, all I know
Is baby you look perfect wearing any clothes

Chorus

So keep your Levi's on, 501s
You got me going, like 'Oh my god girl'
Ooh it don't matter what you wear
It could be baseball cap and bright white kicks
A black t-shirt with a band on it yeah
Ooh you're just my kind of girl
Yeah Yeah Yeah

Bridge

With a perfect body and a perfect smile
Oh girl you could never go out of style
You got me wanting more and more
Wanna see them jeans lying on my floor

Chorus

So take your levi's off, 5-0-none
You got me going, like 'Oh my god girl'
Ooh it don't matter what you wear
It could be baseball cap and bright white kicks
A black t-shirt with a band on it yeah
Ooh you're just my kind of girl
Yeah Yeah Yeah
Don't matter what you wear
You're just my kind of girl
