

## **SING YOU HOME - Narelle Brooksbank & Ed Heaton**

### **VERSE 1 - Am, F, C, G**

Ripples of your tears  
Fall into the sea  
Cast them on the waves  
Carry them to me

When they reach the shore  
I'll hold them in my hands  
Listen to their truths  
Write them in the sands

### **PRE-CHORUS - Em, F, Em, F, G**

When the doubts are screaming louder  
And your hope is lying lost on the road  
I'll be on the other side of silence  
Listen out for me...

### **CHORUS - C, F, Am, G**

I'll sing you home  
I'll sing you home  
When you've loved so much you've lost yourself  
(x2)  
I'll sing you home  
Da da da da da da da  
Da da da da da da da

### **VERSE 2**

You're trying to find yourself  
Amongst a million stars  
My voice is like a torch  
Lighting up the dark

You carry in your heart  
A Map of memories  
The journey you must take  
To lead you back to me

### **PRE-CHORUS**

### **CHORUS**

### **MID-SECTION (on extended version) Em, F, Em, F, G**

We spent our years chasing the sunset  
We should be looking wide-eyed at the dawn  
It's on the other side of silence  
So can you hear me now?

### **CHORUS**
