

Emancipated Woman

Verse 1

01 Today I didn't get things done.
02 I missed her glare,
03 my comfort-zone.
04 I come home but she's not there.

Verse 2

05 She's late again, I serve her dinner.
06 I'm prepared
07 it won't impress her.
08 I'd love to talk but does she care?

Pre-Chorus

09 She seems disgusted or afraid
10 by my tries to communicate.
11 When I'm soft she backs off and away.

Chorus 1

12 She's convinced me that I'm wrong
13 cuz sometimes I'm weak
14 when I am supposed to be strong.
15 She's convinced me that I'm wrong
16 when I believe that she's an emancipated woman.

Verse 3

17 The week was hard. Please, can we talk
18 `bout fears, regrets
19 and take a walk.
20 I let her in but she rejects.

Verse 4

21 She likes it tough and I pretend
22 to be a beast
23 and not her friend.
24 She doesn't like my better me.

25 Pre-Chorus

26 She seems disgusted or afraid
27 by my tries to communicate.
28 When I'm soft she backs off and away.

31 when I am supposed to be strong.

34 Oh
35 Oh
